

**A UNIQUE OPPORTUNITY FOR YOU: LED Technician / Freelancer (M/F/D)**

We're looking for someone just like you as freelance AV technician for our A-Team.

As a long-time specialist in LED and AV technology, we are active throughout the entire year at many festivals, concerts, tours, sporting events and presentations. Our team of technicians is at the forefront of all these events to ensure that everything runs smoothly. We offer a very flexible, exciting and diversified job, as well as advanced training.

Join our A-Team – we're looking forward to receiving your application or call.

As an LED technician, we ask you to fill out our [freelancer questionnaire](#) as accurately as possible.

You can also write us a few personal words and send your completed application to our personnel department at [personal@screenvisions.com](mailto:personal@screenvisions.com).

We look forward to hearing from you.
